144 the use of the owner's remaining enrolled property to the County Assessor 30 days before the transfer of title to a buyer. The sale  
145 of property enrolled in the Clean and Green program may result in the loss of program enrollment and the loss of preferential tax  
146 assessment for the property and/or the land of which it is a part and from which it is being separated. Removal from enrollment in  
147 the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the amount  
148 of taxes that would have been paid in the absence of Clean and Green enrollment. The roll-back taxes are charged for each year  
149 that the property was enrolled in the program, limited to the past 7 years.

153 **Note:** This Act enables counties to enter into covenants with owners of land designated as farm, forest, water supply, or open space  
154 land on an adopted municipal, county or regional plan for the purpose of preserving the land as open space. A covenant between  
155 the owner and the county is binding upon any buyer of the property during the period of time that the covenant is in effect (5 or  
156 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures are fol-  
157 lowed. When a breach of covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back tax is the dif-  
158 ference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The roll-back taxes are  
159 charged for each year that the property was subject to the covenant, limited to the past 5 years.
