13. LAND USE RESTRICTIONS OTHER THAN ZONING

A. Is the Property, or a portion of it, preferentially assessed for tax purposes under the Farmland and Forest Land Assessment Act (72 P.S. §5490.1 et seq.) (Clean and Green Program)? Yes No

Note: An Owner of Property enrolled in the Clean and Green Program must submit notice of the sale and any proposed changes in the use of Owner's remaining enrolled Property to the County Assessor 30 days before the transfer of title to Buyer. The sale of Property enrolled in the Clean and Green Program may result in the loss of program enrollment and the loss of preferential tax assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment in the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the amount of taxes paid under the program and the taxes that would have been paid in the absence of Clean and Green enrollment. The roll-back taxes are charged for each year that the Property was enrolled in the program, limited to the past 7 years.

B. Is the Property, or a portion of it, preferentially assessed for tax purposes under the Open Space Act (16 P.S. §11941 et seq.) (an Act enabling certain counties of the Commonwealth to covenant with landowners for preservation of land in farm, forest, water supply, or open spaces uses)? Yes No

Note: This Act enables counties to enter into covenants with owners of land designated as farm, forest, water supply, or open space land on an adopted municipal, county or regional plan for the purpose of preserving the land as open space. A covenant between the owner and county is binding upon any Buyer of the Property during the period of time that the covenant is in effect (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The roll-back taxes are charged for each year that the Property was subject to the covenant, limited to the past 5 years.
