134 of property enrolled in the Clean and Green program may result in the loss of program enrollment and the loss of preferential tax
135 assessment for the property and/or the land of which it is a part and from which it is being separated. Removal from enrollment in
136 the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the amount

145 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures are fol-
146 lowed. When a breach of covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back tax is the dif-
